SPRING 2023 COLLECTION

A message from Andrew Fleming, Chief Winemaker

With the 2023 vintage being all but a distant memory, we have been busy assessing the quality of the harvest as well as preparing a number of wines for bottling. Despite the unseasonably wet spring which posed many challenges in the vineyards, the quality of the wines made looks extremely promising. A late ripening period during what turned out to be another mild summer led to the gradual ripening of flavours combined with excellent natural acidity retention. It was our first experience with the recently purchased Beenak Vineyard located in one of the coolest parts of the Yarra – the signs here are very promising. Our expectation is to have a solid range of Single Vineyard and Reserve options ready for release in Spring 2024.

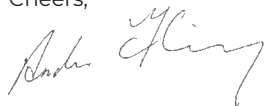

Our new Spring release offers an array of new releases from the 2023 and 2022 vintages – both relatively small vintages, but of excellent quality. In addition, we have included a selection of Trophy and Gold medal winning wines from previous seasons for your enjoyment.

New white wines in the selection are the 2023 Sauvignon Blanc and the 2022 Deer Farm Vineyard Chardonnay – both excellent expressions of cool harvests with vibrancy of varietal character, fine acidity and length of flavour. The new releases complement the 2022 Chardonnay, the 2017 Blanc de Blancs Sparkling (Trophy for Best Sparkling Yarra Valley Wine Show 2022), the 2017 Pinot/Chardonnay Sparkling (Gold Royal Queensland Wine Show 2023) and the 2021 Reserve Chardonnay (Gold Yarra Valley Wine Show 2022).

The red wine selection offers an array of new release Single Vineyard Pinots, each offering an insight into their locales. The 2022 Deer Farm Vineyard Pinot Noir is a worthy follow on from the stellar '21 - again plush, brimming with raspberries and oozing complexity. The counterpoints are the 2022 Esplanade and Reserve Pinot, both slightly warmer sites offering structure, age-worthiness, and dark cherry notes. Included in the pack is the 2021 Deer Farm Pinot, a great opportunity for comparison with the '22 and the 2022 Reserve Shiraz, an excellent cool climate expression of the variety.

Please enjoy the new release packs from our Spring collection. We're grateful to have you on board as members of our Amphitheatre Club, so from the entire team at Coldstream Hills, I wish you an enjoyable six months ahead and trust you'll appreciate the contents of your parcel.

Cheers,

Coldstream Hills Reserve Chardonnay 2020

An outstanding powerful Chardonnay.

Made from a variety of clones, vines planted 1985–1994. Barrel fermented, 9 months in barrique and puncheons (47% new). Aromas of ripe stone-fruits, cumquat, mandarin peel, ginger and grilled nuts lead onto the palate which has real drive and density. Nutty and gently honed, the acidity is already perfectly integrated into the wine.
